The above referenced public notices were originally advertised on March 10, 2006. The public notices for these projects inadvertently contained incorrect notice dates and the deadlines for receiving comments on the proposed projects were incorrect. The deadline for both projects is:

12 O'CLOCK NOON, MONDAY, APRIL 10, 2006

All other information regarding the public notices remains the same.

A handwritten signature in black ink, reading "Elizabeth Jackson", is positioned above the typed name and title.
